Description: _____ Finish: _____

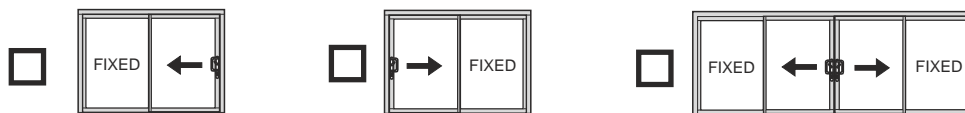

Any colour apart from white: - Please be aware scheduled delivery dates are out of our control and installation dates should not be confirmed until satisfactory goods are received.

INTERLOCK(S) Standard Interlock

GSL1330 + GSL1310
Combination
145mm(D) x 36.5mm(W)

CONFIGURATION - Viewed From The Outside. Please Note: There is no option to have all panels sliding.

GLAZING - The glass for these doors is toughened, softcoat, 90% Argon gas filled sealed unit with a centre pane U-value of 1.1. This results in an overall U-value of 1.7 W/m²K.

SPACERBARS Black Grey White - We use warm edge spacerbars for improved thermal performance.
